Dr. H.C. Burleigh,  
Bath, Ontario.

Dear Doctor Burleigh:

During the past several months I have been doing some research into the ancestry of the various branches of my family. I have uncovered a very great amount of information and have compiled an extensive chart outlining family relationships. Some of it represents mere conjecture and some guess-work, as well as actual fact.

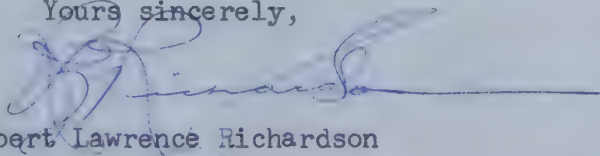

In seeking help to unravel the threads of these connections, I have written to several persons, including Miss Hazel Van Alstyne of the Lennox and Addington Historical Society's Museum at Napanee. Miss Van Alstyne has indicated that you have "a wealth of metrial on geneological matters" and I am therefore taking the liberty of writing to you in this regard.

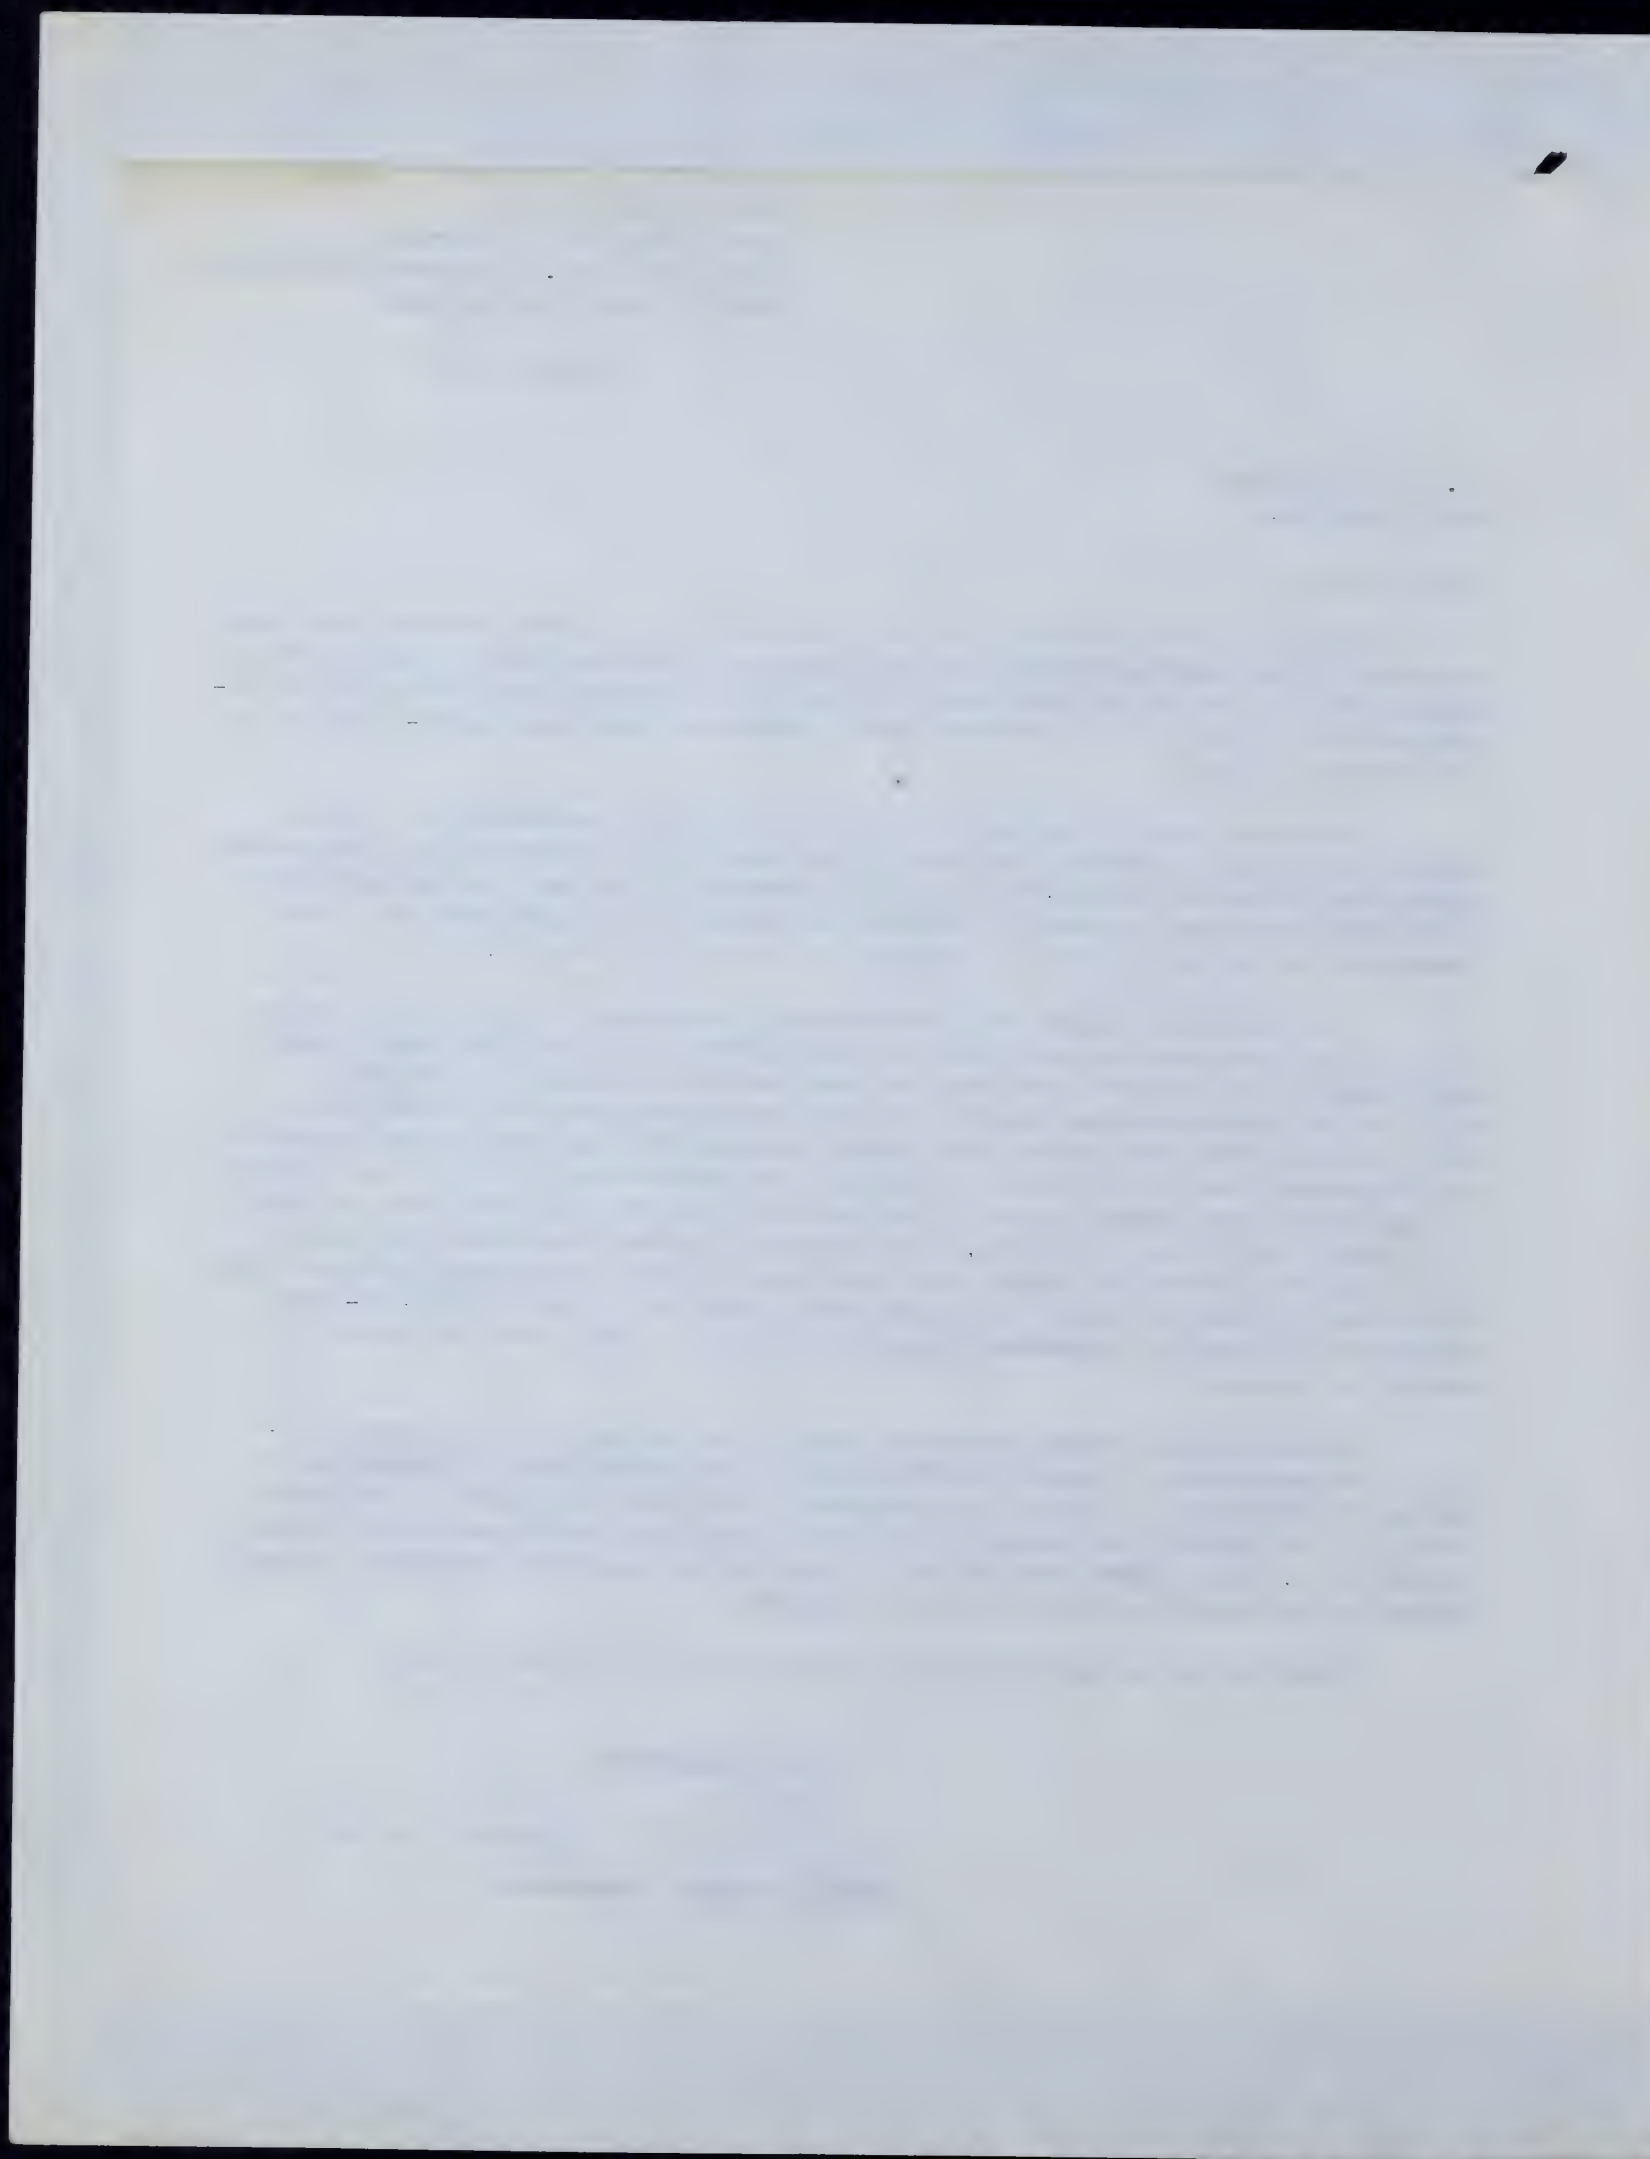

I am enclosing three small charts which represent a bare framework of that chart I mentioned above. The number (1) chart is the first one I made and concerns chiefly the Barnharts on whom much information is available. I still do not have absolute proof that the Charles and Samuel Barnhart on my chart were in fact the brother and nephew respectively of Sgt George Barnhart, or that Samuel was the father of Isabelle, my grandmother. Mr Horace Barnhart of Toronto in his recent letter to me says that he "is certain" that my chart is correct, but proof eludes me. The number (2) chart represents my version of the Huyck heritage in Canada and what appears to be the connection with the Richardsons. The 3rd chart indicates what I believe to be a close-to-fact outline of the early Richardson lineage in Canada. But, proof of this, of course is lacking.

Please examine these charts to see if they agree with whatever knowledge you may have. I would greatly appreciate any additional information on the early founders of the various branches. I am most desirous of obtaining proof of the validity or otherwise of the connections indicated, with dates, places, etc. Also, locations in the USA before the American Revolution where these people came from would be most welcome.

Thanking you in anticipation of your kind assistance, I am,

Yours sincerely,

  
Robert Lawrence Richardson

 NOW BELIEVE BELIEVE THAT  
 THIS PERSON DID NOT EXIST.

The above chart has been assembled largely from conjecture and, to some extent, from guesswork. It appears that the four Huyoks across the top of the chart, Isaac, Lieut John, Burger and Peter Huyok may have been brothers. There is no evidence that I have found to support this assumption, except that they all lived at Adolphustown or Marysburg. I would like some indication as to the correct connection amongst the above.

I am, of course, mainly interested in the connection or connections between the Richardsons and the Huyoks. Names, dates, places, parents, children, ancestors in general are wanted urgently.

UNITED EMPIRE LOYALIST FAMILY CHART

Ottawa, April, 1963.

to engrave by  
6 Jan 63 as provided by  
Knappe

The Huycks of Adolphustown  
are part of this family organiza-  
tion, but it has not been possible  
to connect them here.  
Records do indicate that Lt. John  
Huyck, Barger Huyck, and others were  
among the original 1784 settlers of  
Adolphustownship.

Complete chart on this branch of  
the family would be greatly appre-  
ciated.

Available information on the  
Richardson's is most scarce  
here. The connections outlined  
on this chart are the result,  
to considerable extent of conject-  
ure, and confirmation or otherw  
is requested.

Evidence of connection with  
Richardson's named Asa, Thomas, William, etc.  
who also lived before 1800 has been unearthed  
but their connection to persons on this chart  
cannot be established here.

Room E262, No. 1 Temp. Bldg.,  
Carling Av., Ottawa, Ont.

Dear sir:

I have for answer your letter of 14th inst.,  
regarding your search for your ancestors. I say all that you are the first  
of your name with whom I have had the opportunity to discuss this Loyalist  
family. I have often wondered where they all went to, considering that the  
original ancestor had such a large family.

Your chart of the Richardsons is of interest. It  
does lack certain features, which I shall name briefly. 4 Aug.

1. Asa Richardson, Sr., died in the wilderness & was buried 11th Nov., 1789.  
Therefore, he was NOT the Asa "The Elder."
2. His wife, Sarah, believed to be a Brownson, was buried 26 May, 1797.
3. One son of Asa, Sr., namely James Franklin is omitted in your chart.
4. Have you documentary proof that Moses was son of Asa, Sr.? His name is  
not found in the list of Asa's children who applied for land. If  
you do not already have proof, I suggest that you visit the Public  
Archives in Ottawa and ask them for a copy of Asa's Moses' claim  
dated 18 Nov., 1777. It should name his son of Asa.

Of interest in your family also from the fact  
that two sons of Asa married a sister and a half-sister of my great grand-  
father Percy. The following chart will explain:

James Costello - a defender of "Indians" in 1775; soldier in Loyal Rangers who died in 1782	married Catherine Ryan. She was, first John Percy 17th Nov. the served in Loyal Rangers, 1781-83
Richardson Costello wife of Percy Richardson	Rebecca Percy wife of James E. Richardson
Both of these families had children—Sam, David and Michael. My great grandfather was Richard Ryan Percy.	

I cannot help recall on the Percys. I can say,  
however, that Catherine Richardson's wife, Catherine Ferguson, was daughter of  
Peter Ferguson (Ferguson) and Maria Fisher. He was born in 1776.

Further as the Percys are concerned, my knowledge  
comes from an article in "Winter Life on the Bay of Quinte."

I have an item in my files which states that  
"Sally, daughter of Alex Taylor, married Asa Richardson." It came from her  
petition for land as daughter of a Loyalist, dated 5 July, 1841. They were  
then living in Richmond Township, near Espanoe.

I may add that I have enough information on these  
families to fill a book. I hesitate to furnish such, as I do not know just what  
you have. If you wish to look it over, you are welcome to do so. Otherwise,  
you might hire a typist to do it.

Sincerely,

# Census of 1861

Dear Dr. Burleigh,

Thanks very much for the valuable records which you sent me. But some of them have left me somewhat confused. 1) The War Office Papers - re. 2<sup>nd</sup> Batt. states that Charles, George, and John Bamhart enlisted 22 May 1780. Pringle in *Luxemburg*, pp. 174-177 states that on 13 July 1780, Johnson was authorized to raise 2<sup>nd</sup> Batt. Recruiting commenced as soon as order for formation was made known.

Dr. Caniff has Roll of 2<sup>nd</sup> Batt. which shows the order in which the soldiers enlisted, David B. 105; George B. 160; Nicholas 199; Jacob 200; John 201; Charles 237. This suggests that they enlisted at different times - David first and Charles much later.

2) Dr. Haldimand Papers - list January 1783.

						Age Jan 1783
George Bamhart - b. in America	34 yrs of age	5'8" tall	3 yrs service	39 or 40		
Christian (Charles?) Bamhart.	do	23	" " "	5'7" "	do	?
John Bamhart	do	30	" " "	5'6" "	do	34
David Bamhart	do	30	" " "	5'6 1/4" "	do	?
Nicholas Bamhart	do	12	" " "	4'6" "	2 yrs 6 mos	12
Jacob Bamhart	do	15	" " "	5'1" "	2 yrs 9 mos	14

Will you please check the above? in particular, George B. born 1743, and bapt. 29 Jan. 1744. Did you insert the question mark after Charles?

Years of service - Chas. George, David, & John (Jan 1780 - Jan 1783) 3 yrs.  
Nicholas B (July 1780 - Jan 1783) 2 1/2  
Jacob B (April 1780 - Jan 1783) 2 3/4.

Perhaps George B age 34 may be an error ~~in~~ due to poor writing <sup>original</sup> on list, or confused with name above it on list.

2.

(3). Query - re Peter Baumhart (1826-1906) over 80 years of age.

Mrs Peter Baumhart died of blood poisoning Sept. 1902.

Charles B. was granted E $\frac{1}{2}$  lot 7, Con 3 Fred. Pat. 1862.

Later he obtained from John Sells Lot 8, Con 3 " " 1865.

He also received patents in 1865 for E $\frac{1}{2}$  lot 11 and E $\frac{1}{2}$  lot 19 Con 3.  
Have the numbers been changed? Con 3 to Con 4?

Charles B gave or sold E $\frac{1}{2}$  lot 7, Con 3 to his second son Peter (1792- ) about 1829. The old 1828 Atlas shows that he still owned it at that time. Therefore <sup>he is</sup> Peter who was born and lived here all his life.

Charles B gave or sold E $\frac{1}{2}$  lot 8, Con 3, to his eldest son Samuel (1790-1870) → Samuel B (1820-1898) → Marshall B (1862-1953) → Harold B (1915- ) who is still living on E $\frac{1}{2}$  lot 8.

Charles B, gave or sold W $\frac{1}{2}$  lot 8 to his third son John (1793-1875) who first married Sarah Clark. Children → William Charles, Sarah and Mary. About 1824 John B married Susan Rombough. About 1840 John + family <sup>all family</sup> moved to Reach Trap, Ontario Co. Then about 1853 they moved back to S. Fred. In 1860 John and his second family moved to Oro Trap, Simcoe Co. and ~~bought~~ purchased about 800 acres of a 1200 acre block of land owned by the Henry Lasher estate formerly of Sillsville. John B → William B → John B → E. H. B.

The Peter B (1826-1906) mentioned in your query is a son of Samuel B (1790-1870) - one of a family of 11 boys and 4 girls + a nephew of Peter B (1792- ) did he live on lot 10, Con 5?

Enclosed you will find a cheque for \$10.00. Thank you again for your research.

Sincerely yours  
E. H. Baumhardt.

Dear Dr. Burleigh

I had hoped to get down and check through your files for information concerning Charles Barnhart U.E.L. and his wife Catharine Fosyear, and their descendants who lived in the Bay of Quinte area. But I don't feel up to the task of driving so far at my age - so on Oct. 9.

You said you had a file on the Barnhart family but not too much information. You mentioned that your daughter would send me some information for a fee. I was wondering if she would <sup>still</sup> do this for me. I am willing to pay her. She would not have to go through other files. Perhaps you could send me the file as it is.

I am about ready to start preparing my family history to be typed and I would not want it to be incomplete when other information is available.

We both are in fair health and are looking forward to another Bus trip to the Muskoka area.

We hope that you <sup>are now well</sup> are enjoying good health and will be able to take another Bus trip.

I am enclosing a coloured slide of you and your sister which I took May 1974.

Yours sincerely

E. H. Barnhardt.

P.S. When would I find information on the First Lennox County Militia which took part in the war of 1812? I believe Chas. B. was a Lieutenant.

Dear Dr. Burleigh,

Many thanks for your letter. No, I did not misunderstand the intention of the booklet. I knew that it only concerned people who were born before June 1784. But I thought that there might be some loyalists buried in the Sandhill Cemetery that I had not listed. I knew that the names that I had listed were not eligible. I sent the list to you so that you could add it to your Records Re Barnhart Family History.

I have rewritten the family History (about 13 pages), which my brother placed in the archives at Ottawa and Toronto.

Dr Walter S. Barnhart (1893-1958) Ottawa, a descendant of the Barnhart Island Branch, and my brother, Horace S. Barnhart, Tor. (1893-1968), descendant of Charles Barnhart U.S. L. Fred. Top, worked together on the two branches. My brother had to complete the History as Dr Walter died in 1958. I know that my brother placed copies of this History in the Archives at Ottawa and Toronto.

In the Archives at Ottawa, all letters and documents pertaining to Barnhart Island and the adjacent Counties have been placed in a unique wooden box marked "Barnhart Family Papers".

In 1942 the box was made by Mr R. L. Crain as a present for Dr Walter S. Barnhart from timber that was cut down and hand hewn for construction of a building on the island about 1830.

Handwritten text, likely a letter or document, written in cursive script. The text is extremely faded and illegible due to the quality of the scan. It appears to be a single page of writing on aged paper.

I know that the box contains a great number of documents and letters pertaining to the early history of the area. No doubt Dr. Walter Barnhart's family have continued to work and ~~have~~ added extra material.

This summer I intend to drive down to Ottawa and spend a little time going through the material stored in this box.

My family <sup>history</sup> is more complete with Genealogy Charts and copies of Records obtained from the Archives.

My History consists of:

- (1) Barnhart Island Branch 43 Pages (written)
- (2) Barnhart-Strathville Branch 4 "
- (3) Bay of Quinte & Oro Twp Branch 43 Pages.

You will only want information on the Bay of Quinte Branch, and part of the Oro Twp. Branch.

Re Descendants of Asa Richardson:

In going through my brother's old notes I found some information which I have copied on a separate sheet. He was only interested in Isabelle Barnhart and her family. I think the post office address of Stayner, Ont. R.R. would reach them.

I find also a letter dated Jan 24, 1964 from WO2 R. L. Richardson Royal Canadian Air Force, Ottawa, Ont. He is a descendant of W. H. Richardson and Isabelle Barnhart. I don't know his present address. Is he a member of the Bay of Quinte H. E. Branch? He did a great deal <sup>of work</sup> on the family history. -  
(both Richardson & Barnhart)

Yours sincerely  
E. H. Barnhardt.

Handwritten text, likely a letter or document, written in cursive script. The text is extremely faded and illegible due to the quality of the scan. It appears to be a single page of writing on a light-colored background.

### Some Richardson Family History

(1) Asa Richardson granted all lot 7, Con. 6 - 200 acres in Nottawasaga Twp. Simcoe County. Patented in 1835.

I believe him to be the father or an uncle of William H. Richardson who was first married to Isabelle Barnhart, <sup>(1846-1874)</sup> daughter of Samuel Barnhart (1790-1870), and grand daughter of Charles Barnhart, U.E. Fred. Twp.

William H. and Isabelle had a son David Richardson who was living in Nottawasaga Twp in 1963.

David has a son Harry who also has two sons, William H. and his second wife Miss Christie from New Brunswick had a daughter who married a Mr Bury - a member of the Bury & Bury Legal Firm, Calgary and Red Deer, Alta.

(1846-1874) →  
(Isabelle B.) →  
Asa Richardson → William H. → David R. → Harry R. → 2 Sons  
(2) Miss Christie → Mrs Bury.

(2) W. H. Richardson → David → Harry → (1) R. L. Richardson ???  
Isabelle Barnhart → (2) ... Richardson.

The first part of the report deals with the general situation of the country. It mentions that the population is increasing rapidly and that the economy is growing. The second part discusses the social conditions, noting that there are significant disparities between different groups in society. The third part covers the political situation, mentioning recent elections and the role of various political parties. The fourth part talks about the environment, highlighting issues like deforestation and pollution. Finally, the report concludes with some recommendations for future development.

U.E.L. Association, Box 9, Bath, Ont.

Dear Secretary:

In looking over the Publication Loyalist Graves in the Bay of Quinte Region, No 57, I notice that Sand Hill Cemetery in North Fredericksburg is not listed. Are there no Loyalists buried there?

Here is an incomplete list of descendants of Charles Barnhart, U.E.L. who are buried there, but none of them qualify as <sup>original</sup> Loyalists. In this <sup>list</sup> only Barnharts and some relatives are listed. Perhaps you would like to add them to your records.

In 1930, I visited Marshall Barnhart who was living on lot 8, Con 3. He told me about a small burying ground on lot 7, Con 3. I believe. The farmer who had purchased it prior to this time had destroyed <sup>it</sup> and a crop was growing on it at that time.

I also spent a short time looking at the names on the tombstones in the Cemetery at Billsville just west of the Church. I believe the old Lasher store was to the east of the Church. I didn't make a list of the names but I remember several "Bills" were buried there. As you <sup>may</sup> know, the Cemetery is hidden now by shrubbery.

I am a direct descendant of Charles Barnhart, U.E.L. and I am trying to search out our Family History. Can you give me some help?

In the main list of U.E.L. in Dept. of Lands and Forests the following names appear:

Barnhart, Charles, Fredericksburg, soldier, R.R.N.Y. L.B.M.  
1760 P.L. 1786

Barnhart, George, E. Dist. Sergt. K.R.R.N.Y.  
I.F. P.L. 2nd 1786

(1) What is the meaning of (a) 1760? (2) I.F.?

(2) Was Ross' 84 Regiment a part of the King's Royal Regiment of New York? If so, to which battalion?  
No

(3) Where were these Battalions stationed at the close of the war? S. Fed.

"In the Trail of the Black Walnut" (quote)

Michael Grass asked by British Governor at New York City to lead a group of Loyalists to Kingston.

At least two companies, one under Capt. Grass and another under Cept. Van Alstine together with other refugees in five vessels set out on Sept. 8, 1783 for Quebec where they spent the winter.

In the following spring they proceeded to Frontenac and awaited allocations.

(1) Capt. Grass to Kingston with

(2) Sir John Johnson to Earnestown with 434 Jessup's men.

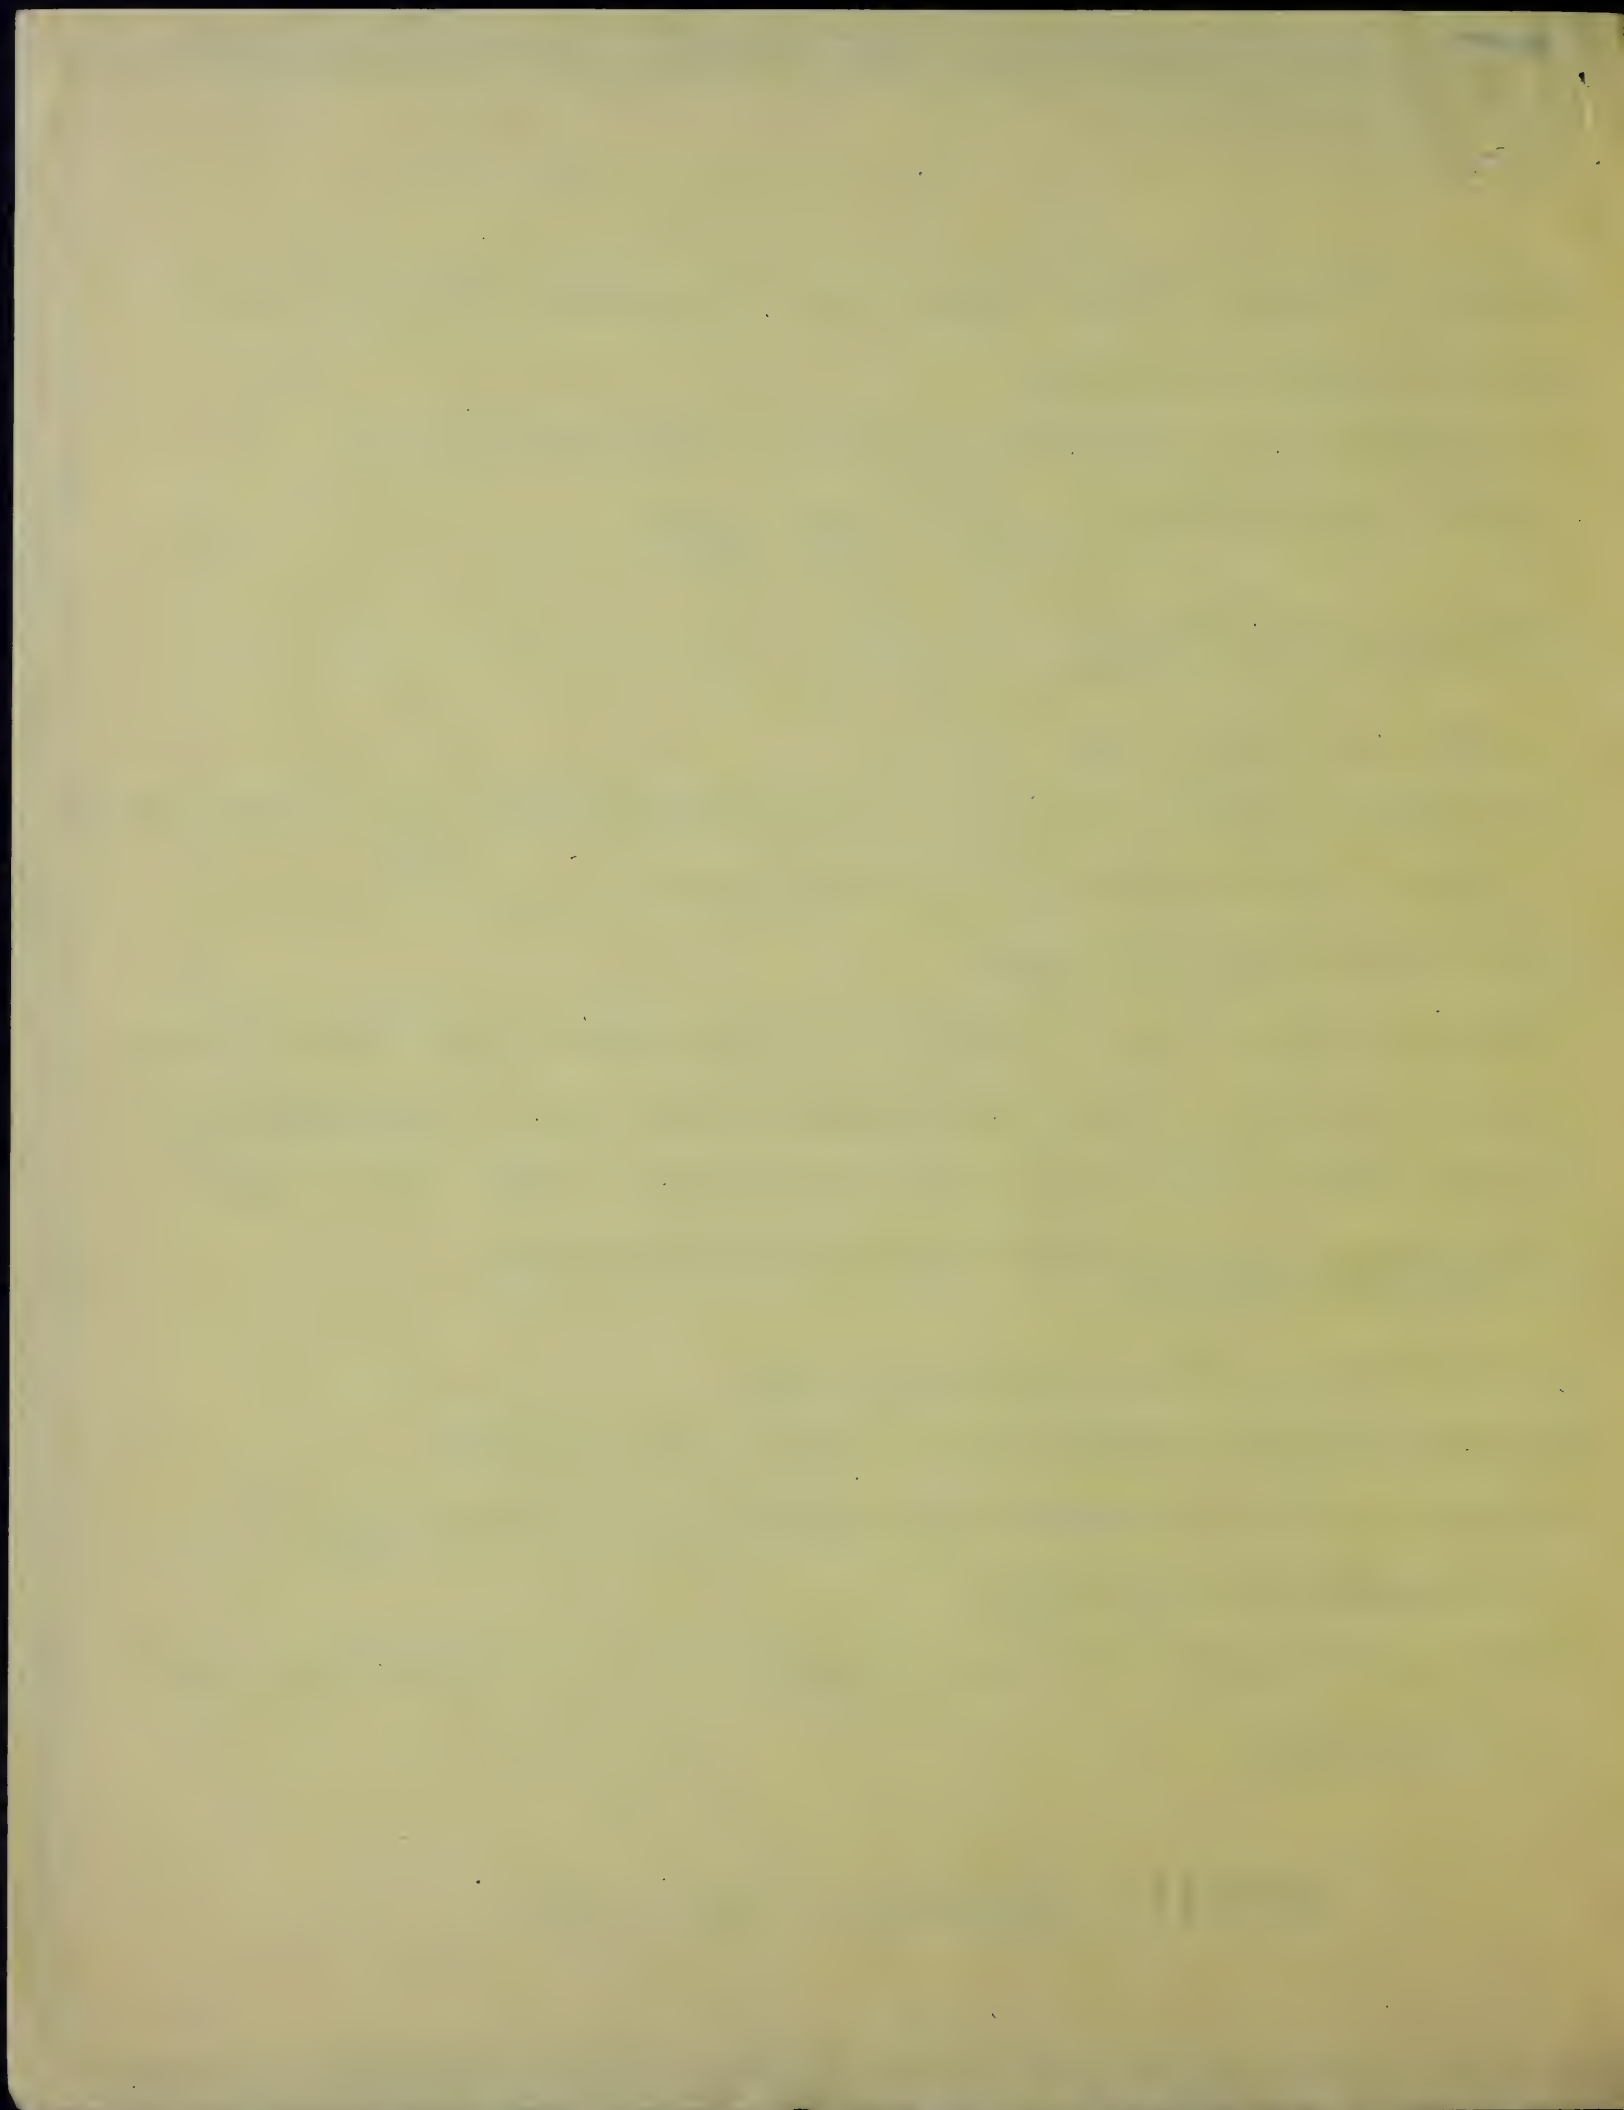

(3) Col. Rogers to Fredericksburg with 310 K.R.R.N.Y. and 227 Rogers men.

(4) Major Van Alstine to Adolphustown--about 400 composed of Van Alstine and Roger's men.  
No

To which Battalion did each group belong?

Records show that they (Charles & George) both belonged to the R.R.N.Y. and that George belonged to the Second Battalion.

5.5.73 Replied 3 forms sent

I am inclined to believe that Charles perhaps belonged to the First Battalion. Why did he go to Fredericksburg when his (supposed or believed) brothers, George and John, settled in the E. Dist. at Cornwall?

If you cannot answer my questions perhaps you could tell me where I can obtain the information?

~~Are the Hasli-Notes (pictures) still available and what do they cost?~~

I am interested in joining the U. E. L. Association, what is required to join?

I have attended several of the Services at the Old Church at Hay Bay.

Accept my sincere thanks for your trouble.

Yours very truly
